Following are links to Trove Help and instructional videos.

- Register as a user - Help - https://trove.nla.gov.au/help/your-trove-account/creating-account

  Registering as a user gives you a way of storing all of your research together, under one userid for you to find again when you need it.

  You can keep track of your text corrections, add tags and notes to items and create lists that are private for your own reference, or public/collaborative lists that let you work with others. It also offers you the opportunity to join the Voluntrove crew editing newspaper article text.
